## Rolling Shutters

300 Industrial Road • Hillsboro, Kansas 67063 • 800-264-5171 • 620-947-2323 • Fax: 620-947-3053 • [roger@rollupshutter.com](mailto:roger@rollupshutter.com) • [www.rollupshutter.com](http://www.rollupshutter.com)

## *In Soffit Installation*

Wheatbelt, Inc. has been producing rolling shutters since 1981. In addition to window shutters we custom build shutters for special applications as listed below.

Our shutters are made with roll formed aluminum with a foam core or extruded aluminum. We use powder coated extrusions, polyurethane coated slat and stainless hardware for a long lasting product.

*Pool House*

## ROLLING SHUTTERS FOR:

- Windows
- Doors
